

DataSheet

The home of innovation and elite performing PFAS-free fire extinguishers in the UK, CommanderEDGE boasts a number of reliable and extensively tested fire extinguishers. The range is fully Kitemarked by BSI and is the choice of the professional with its mix of performance, quality and value.

CO₂ FIRE EXTINGUISHERS

As well as being suitable for Class B (flammable liquid) fires, CO₂ fire extinguishers are the ideal choice for installation in electrical fire risk settings because it won't damage electrical equipment or machinery.

CommanderEDGE's Aluminium CO₂ 2kg squat bodies allow for ease of handling, while in the 5kg model, you can rely on a high-performance 70B fire rating. Supplied with non-conductive, frost-free horns, CommanderEDGE CO₂ fire extinguishers are ideal for construction, retail and office environments.

Technical Specification	FX-COA-002-DCF	FX-COA-005-DCF
